COALVILLE CHIPS.

THE TROUBLE between the Home Coal Company and its men has not been entirely settled yet. A number of the men have gone to work, and every citizen who is anxious for the welfare of the town, will earnestly hope for the amicable arrangement of all differences, and for the resumption of work by all of the striking miners.

THE COUNTY convention of the People's party will be held at Washville, July 10th, 1887. Primaries for the election of delegates to the county convention, and also to the Representative convention, will be held in the various precincts of Summit County on July 5th, at 8 p.m.

THE MASS meeting held here on June 25th to elect three delegates to the Territorial Constitutional Convention was very poorly attended.

A SCOTCHMAN and an Englishman enjoyed a couple of days fishing a short time ago. Upon their return they were accosted with the question, "Well, what luck?" The Scotchman replied, "Half a thousand," and the Englishman responded, "Bye gone we're the boys to catch fish." They returned with 476 fish, but their method of catching no man knoweth.

ON WEDNESDAY, the 22d inst., Mary Salmon, wife of Bishop Robert Salmon, died, after lying prostrated a week with pneumonia. She was born in 1823 in the County of Ayr, Scotland. She joined the Mormon Church at Kilmarnock in 1849. On the 17th of March, 1854, she married Robert Salmon at Barrhead, Scotland; and after a residence there of eleven years, she, together with her husband, emigrated directly to Utah. She has lived in Coalville for twenty-one years, and has won the respect and esteem of all her acquaintances. She was essentially a housewife. Her influence was sensibly felt at the home circle. Domestic in her inclinations, she devoted her life to the rearing of a large family, and contributing to the happiness of the sacred realm of home. Passing away in the evening of her days she could look back to a life well spent in devotion to her family. She possessed the purifying, the ennobling, the moral qualities that make the household happy. She was kind, faithful and comforting to her husband, anxious and solicitous for the welfare of her children.

Who is the central figure of our childhood's days? "The mother, going with us hand in hand, sharing our pleasures, consoling our sorrows, and training us in our obligations and duties. Perchance the grass has waved green on her grave; but still the heart lags sometimes for her counsel, or yearns with an ache that will never wholly cease for one touch from that dear hand, one tone of that beloved voice that is silent on earth forever."

For when the morn came dim and sad,
And chill with early showers,
Her quiet eyelids closed—she had
Another morn than ours.

COALVILLE, Utah, June 27th, 1887.
SINCE LAST OCTOBER I have suffered from acute inflammation in my nose and head—often in the night having to get up and inhale salt and water for relief. My eye has been, for a week or more, so I could not see. I have used a number of remedies, also employed a doctor, who said it was impure blood—but I got no help. I used Ely's Cream Balm on the recommendation of a friend. I was faithless, but in a few days my eye was cured. My nose now, and also my eye is well. It is wonderful how quick it helped me.—Mrs. GEORGE J. HARRIS, Hartford, Conn. Easy to use. Price 50 cents.

Salt Rheum

The agonies of those who suffer from severe salt rheum are indescribable. The cleansing, healing, purifying influences of Hood's Sarsaparilla are unequalled by any other medicine. "I take pleasure in recommending Hood's Sarsaparilla, for it has done wonders for me. I had salt rheum very severely, affecting me over nearly my entire body. Only those who have suffered from this disease in its worst form can imagine the extent of my affliction. I tried many medicines, but failed to receive benefit until I took Hood's Sarsaparilla. Then the disease began to subside, the

Agonizing Itch and Pain

disappeared, and now I am entirely free from the disease. My blood seems to be thoroughly purified, and my general health is greatly benefited." LYMAN ALLEN, Sexton, N. E. Church, North Chicago, Ill.
"My son had salt rheum on his hands and the calves of his legs, so bad that they would crack open and bleed. He took Hood's Sarsaparilla and is entirely cured." B. STANTON, Mt. Vernon, Ohio.

From 108 to 135

"I was seriously troubled with salt rheum for three years, and receiving no benefit from medical treatment I decided to try Hood's Sarsaparilla. I am now entirely cured of salt rheum; my weight has increased from 108 lbs. to 135." MRS. ALICE SMITH, Stamford, Conn.
If you suffer from salt rheum, or any blood disease, try Hood's Sarsaparilla. It has cured many others, and will cure you.
